## **Pennine Acute – re-appointment of Chair and extension of a Non-executive Director (NED)**

---

Thank you for this additional information.

The Commissioner is content with the reappointment of Mr Potter as Chair for an additional year, or until the PAHT is dissolved, whichever is sooner. The Commissioner is also content for the 2 month extension of Mr Willis' term as NED.

As you know, the Commissioner must be consulted if another NED from the SRFT is to be appointed without competition to the PAHT once Mr Willis' term ends.

Kind regards,

Phil
