Fwd: Technical Advisory Board - Direct appointment

---

28 July 2020 at 15:05

The Commissioner is content with the direct appointment of Alex Leadbeater as a member of the Technical Advisory Board under section 3.3 of the governance code, for a period of up to 1 year as previously requested in your informal approach until July 2021. The Commissioner notes that this direct appointment is necessary to keep the board quorum, as well as to avoid any legal challenge in the event the body is required to advise on any issues relating to it going forward. It is reassuring that with this direct appointment in place, you are now in a position to begin a full competition for a substantive member, and that Mr Leadbeater is able to apply if he so wishes.

Good luck with the competition.

Best wishes,
Yehoshua Hinton-Lewis
